I understand that the use of the school network and the Internet can provide students with valuable learning experiences.

I also understand that it gives access to information on computers around the world; that the school cannot control what is on those computers; and that a very small part of that information can be illegal, dangerous or offensive.

I accept that, while teachers will always exercise their duty of care, protection against exposure to harmful information will depend finally upon responsible use by students.

Student Resource Scheme Policy

The Student Resource Scheme (Scheme) is designed to offset the cost to families of the provision of education resources associated with your child's education. These resources enhance your child's educational experience and assist them to fully engage with the curriculum.

The Scheme provides for the needs of all students in the specific year level together with specific goods and services consumed by your child which are related to individual subjects undertaken by your child. The Scheme provides parents with the opportunity to financially benefit from the School's bulk purchasing arrangements. The Scheme also enables teachers to differentiate the materials provided to students on a 'needs' basis.

In the case of Prep for 2025, the Scheme was \$140 per student for the year. This is in the place of the traditional 'booklist'. We anticipate an increase for 2026 (*the Scheme will include registration in web-based programs and art levy – currently invoiced separately). The payment may be paid in a single payment, paid off over an agreed, negotiated period. Please see the Business Manager to make these confidential arrangements.

Parents who choose not to participate in the scheme will be responsible for providing their child with all the items that would otherwise be provided to the student by the scheme to enable their child to engage with the curriculum. As the Scheme operates for the benefit of participating families and is funded solely from participation fees, resources provided by the Scheme will not be issued to students whose parents choose not to participate in the Scheme.

The Scheme includes:	The Scheme <u>does not</u> include:
Stationery (scrap books, exercise books, homework folders etc) Consumables such as glue, pencils, felt pens, whiteboard markers, etc. Art materials Photocopying	Excursions Incursions Camps Extra-curricular activities Uniform Specialist services Web-based licenses (eg Reading Eggs) *2026

Thank you for supporting Pullenvale State School.

Please complete the Participation Agreement Form and return with your enrolment pack at the enrolment interview.

Students in years 1-6 will be issued with a booklist in term 4 for the following school year. The school receives a commission on sales through the provider. These funds are used to replenish materials in our library.

Uniform Policy

Pullenvale State School is committed to providing a safe, respectful and disciplined learning environment for students and staff, where students have opportunities to engage in quality learning experiences and acquire values supportive of their lifelong wellbeing. All areas of Pullenvale State School are learning and teaching environments.

This policy is in line with Section 360 of the *Education (General Provisions) Act 2006*.

Pullenvale State School is a 'uniform' school. All students must wear the correct uniform at all times*. Our School supports the intention of a dress code in providing a safe and supportive teaching and learning environment by:

- promoting a safe environment for learning by enabling ready identification of students of the school;
- promoting an effective teaching and learning environment by eliminating the distraction of competition in dress and fashion at the school;
- promoting a supportive environment at the school by fostering a sense of belonging;
- fostering mutual respect among individuals at the school by minimising visible evidence of economic, class or social differences; and
- assisting students to develop pride in themselves and the school.

No student is permitted to attend an excursion or represent the School unless the student is in full School uniform. Parental notes do not override this policy. Students who present in items of non-uniform are to remain at school. The only exceptions to this are those excursions, field trips, camps etc that do not require the wearing of a uniform. This information will be explicitly detailed in permission notes.

Persistent non-compliance with the Pullenvale State School uniform code will be managed in line with sanctions outlined in the *Education (General Provisions) Act 2006*.

The School uniform is accepted as normal attire for students attending Pullenvale State School. Parents enrol their child at this school on the understanding that **full School uniform** will be worn at all times.

We care about our students, their safety and their image in the community and believe that their appearance is a very significant visible communicator about our School.

This policy is tabled at the Parents & Citizens Association at the commencement of each school year for review.

On the pages following, it clearly depicts the items of clothing that are the Pullenvale State School – School uniform. All items listed (excluding shoes) are available from the Weareco Uniform Shop, located at our school. The opening times of our uniform shop are detailed on the School website.

*In the event of a student not wearing uniform, a student may be asked by the Principal or Deputy Principal to change into a compliant uniform. A note from a parent is required and the student should proceed to administration where every effort will be made to provide a uniform.

School Hat

The School broad-brimmed hat is deemed to be the only acceptable hat for school wear. Upon purchase, the hat will be sent away for embroidery of the student's surname at the rear of the hat. No other variations are allowed or deemed appropriate.
