

Forget Winter: Get Ready for Spring!

Winter is still to come, but on the other side of it is a day in the warmth to look forward to: The Pullenvale Spring Fair is now in the planning stages!

Springtime means the sun is shining, the flowers are blossoming and the birds are singing, so what better way to put the 'blah' of Winter behind you and celebrate the joys of Spring than at the Pullenvale Spring Fair on Saturday 21 October 2017.

With Fireworks, rides, live music, food and fun on the cards at this biennial community event, held at Pullenvale State School, this year's fair looks set to be even bigger and better than ever before.

Pullenvale Principal, Sam Symes said:

"With a vast array of events, stalls and participants organised for the Spring Fair, we are reaching out to welcome all comers to diarise Saturday 21 October as a day not to be missed!"

"My family and I are reasonably new members of the Pullenvale

community and we could not feel more of a warm welcome," Mr Symes said. "My wife and kids are certainly looking forward to the day, in particular, the dunking machine, with my children having the chance to dunk their Dad and the students to dunk their Principal," he laughed.

So mark the date in your diary and stay tuned for further information about the fair.

"I look forward to seeing you and your families, meeting with old and new friends alike and most of all, having an unforgettable day out!" said Mr Symes. "I look forward to seeing you there!"

Visit the official website for the fair at www.pullenvalespringfair.com and follow the event on Facebook. To enquire about sponsorship opportunities, please phone Tracy Henderson on 0407 127 680.
