

# Not now, Not ever.

*We, the leaders of the Department of Education and Training, declare our commitment to do all we can to eliminate domestic and family violence in Queensland.*

*We believe that:*

- *domestic and family violence is never acceptable*
- *everyone has the right to feel safe and supported*
- *everyone has a responsibility to act*

*We will promote respectful relationships in our workplaces and in our educational settings and provide support to those whose lives are affected by domestic and family violence.*
